

**Agenda:**  
**Rebuild America: Technology 101**

---

9:00 Introduction and overview  
9:10 Fluorescent lamps advancements  
9:40 Ballast efficiency  
10:10 High-bay applications  
10:40 Break  
10:50 Lighting controls  
11:20 Integrated controls  
11:50 Questions on morning topics  
12:00 Lunch  
1:00 HVAC best practices  
1:45 High efficiency cooling  
2:15 Motor efficiency and VFDs  
2:45 Break  
2:55 Mechanical controls  
3:25 High-performance glazing  
3:55 Whole building commissioning  
4:25 Questions and wrap-up  
4:45 End
